

Outgoing № 1228
24 December 2020

To FIB member Federations

Dear Friends!

On behalf of the Federation of International Bandy and on behalf of me personally, please accept the most heartfelt and sincere congratulations on Christmas!

This year has become the year of challenges and overcoming for all of us: for many months world sport has been fighting for opportunity to hold matches and competitions despite the difficult epidemiologic situation. What many of us used to call bandy everyday life – matches, trainings and TV broadcasts, now has become a little holiday and frankly we all began to appreciate much more what we really love. In New Year 2021 we do not intend to slow down and will move forward working every day for development and popularization of bandy!

With all my heart I thank you for our long-term cooperation and wish you good health and new successes in the future! Let the next year be filled with interesting events and always happy moments!

**Sincerely yours,
FIB and RBF President**
